A.S.B. OFFICERS

Every year, the Executive Cabinet is composed of six students elected by the ASB. The President conducts Student Council meetings. The Vice-President organizes student assemblies and chairs the Inter-Club Council. The Secretary takes minutes and handles correspondence. The Treasurer handles our money and the Sgt.-at-arms presents the flag at assemblies and heads the Building and Grounds Committee. The Activities Secretary organizes club meetings, maintains a school activity calendar, and makes daily announcements.

This year's Executive Officers upheld their duties and represented Central in the best way possible.

Fall Activities

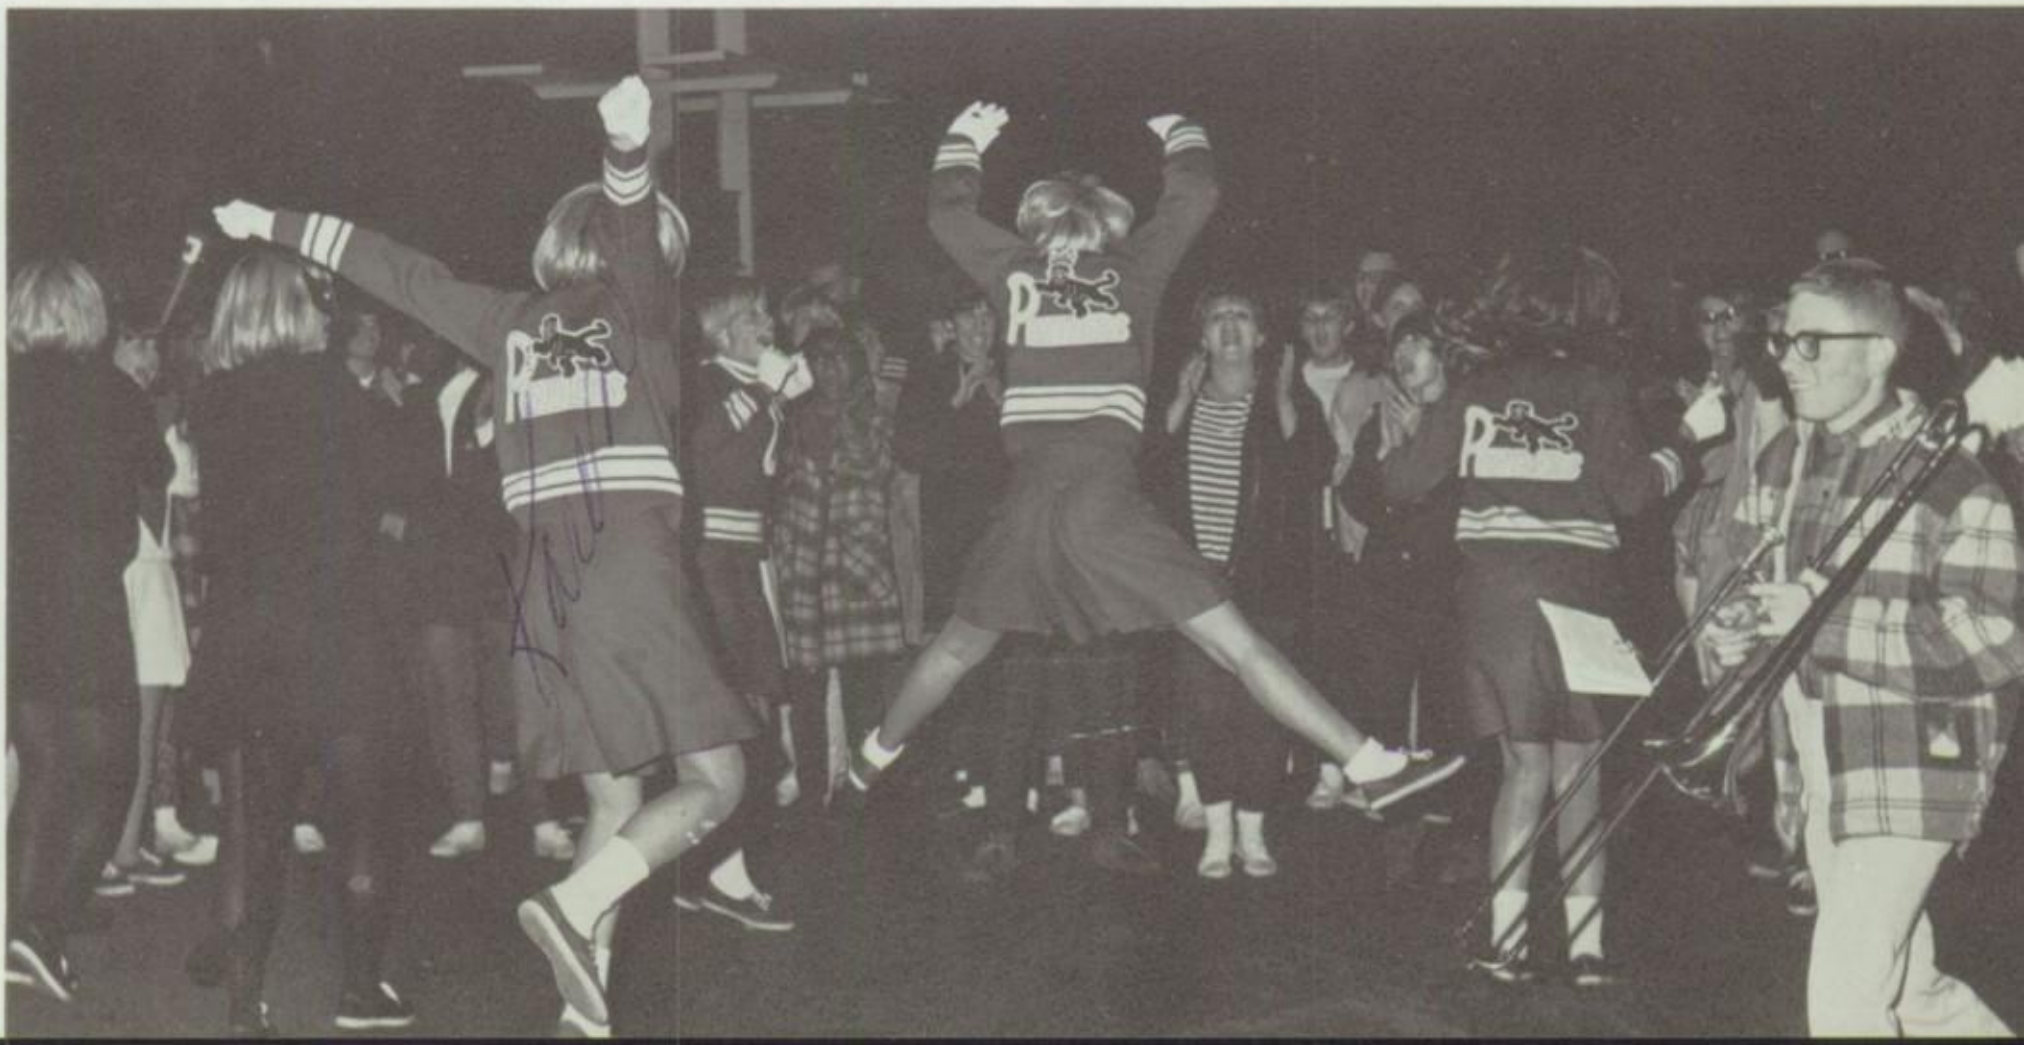

HOMECOMING '67

Thursday, October 26, started off the Homecoming Activities for 1967. The coronation held in the morning was followed by the building of the bonfire. At 7:00 on the night of the 26, students boarded buses and followed the Queen and her court and the cheerleaders into Monmouth.

The first stop was the 3 Boys Market where everyone piled out to sing the school song. Back on the buses, the students headed for Independence, singing and yelling all the way. The second stop was the I.G.A. where students again jumped out of the buses to stand in the rain, yell, and listen to Mr. Hargadine. The serpentine then headed back to the school where the bonfire built that day was ignited. Students cheered as the cardboard bulldog on top blazed away to ashes, symbolizing a victory over the Woodburn Bulldogs.

Charlotte Iliff was the 1967 Homecoming Chairman.

The 1967 Homecoming Coronation took place on the morning of October 26. Tash Chambers, Homecoming Queen for 1966, announced Jane Allen, Senior Princess, as the Homecoming Queen for 1967. Tri-captains Gary Barton, Wally Hansen and Al Weaver presented the Queen with the traditional crown, robe and one dozen red roses.

Senior Princess—SUE TEMBY

Sophomore Princess—PATTY FORD

Junior Princess—CONNIE MASSEY

The Homecoming game against Woodburn was played at the O.C.E. Stadium. The weather was so rainy and muddy that instead of being announced after the traditional ride around the track, the Queen and her court had to be announced from the grandstand.

YESTERDAY

Following the game, the Homecoming Dance took place in the Cafeteria. The theme was expressed by scrapbooks on the tables and huge pictures of past events on the walls. A false ceiling was constructed of red and white crepe paper. Homecoming Chairmen were: Decorations, Jenny Blake and Terri Fitzgerald; Refreshments, Barb Bork and Ann Elwell; Invitations, Deleah Jones; Publicity, Bob Ousterhout; Queen's Court, Conni Hoyer and Dean Sedivy; Bonfire, Bill Blair and Gary King; Mums, Karen Schroeder; Serpentine, Tom Peyree; Tickets, Margie Harthun, Virginia

Homecoming Panthers were elected by the Student Body. They are Terri Fitzgerald, right and Conni Hoyer, left. Panthers not only were present at the Homecoming game, but also went to the rest of the season's games.

1967 TALENT NIGHT

Bob Ousterhout accepts first place trophy for the Senior Class from Master of Ceremonies Tom Glogau.

This year, like every year, the talent displayed by the students showed much hard work and effort on the part of each participating act and the classes as a whole.

The graduating class of "68" again captivated the judges, as well as the audience to secure for the second year in a row, the first place trophy.

A satire on Vaudeville brought not only the first place class trophy, but the group award won by Liz Riddell, Ann Elwell and Barb Bork. The individual award was won by Tom Peyree.

"On the Street Where I Live" presented by the Sophomore class reveals the extremes of today's society. Haight-Ashbury and the Hippies to the famed Carnegie Hall brought second place to this year's sophomore class.

The Junior class brought to our attention how much fun you can have on a barge full of cotton traveling "Down the Mississippi River." The Junior class placed third.

The Junior Varsity football team ended the season with a 6-2 win-loss record to add to the rest of Central's successful athletic seasons. The games were played on Monday nights and home games were held on the Central football field.

The boys worked hard to prepare themselves for being on next year's varsity football team.

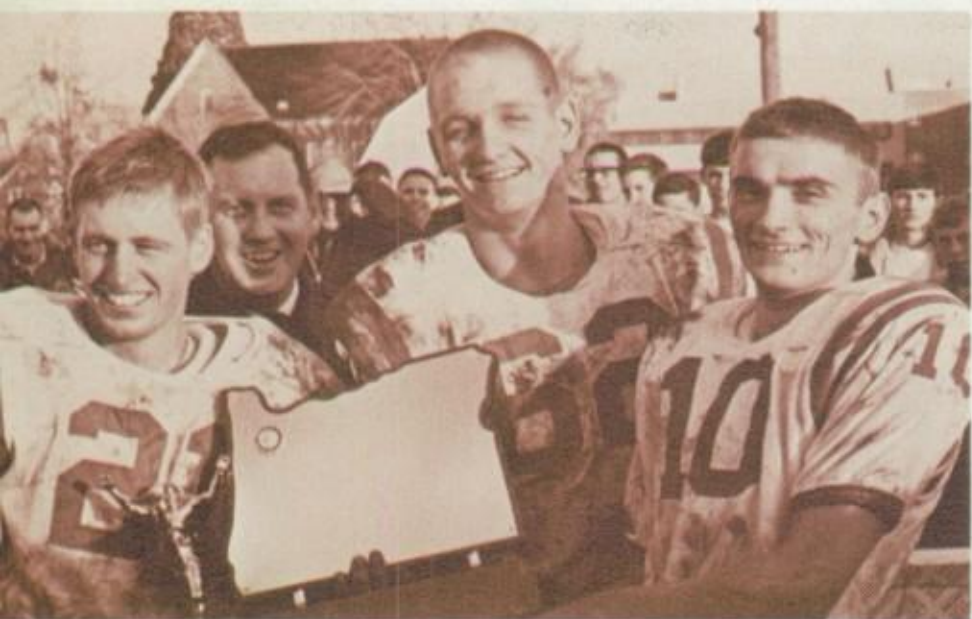

1967 A-2 CHAMPS

The 1967 football season ended with the highest reward possible for any A-2 team in the state. It took a lot of work and determination, but our team captured the A-2 football State Championship crown with a 14-0 win over Bandon on November 25, 1967 . . . The weather was a little damp and the field a little muddy but nothing could stop our Panthers from attaining that final glory. The team had lots of support from fellow Centralians and the win can be considered a 100% effort on the part of the players, coaches and fans.

Central, which finished with a 12-0 record began it's flight to the top by blanking Vale 21-0 and beating Eagle Point 17-7.

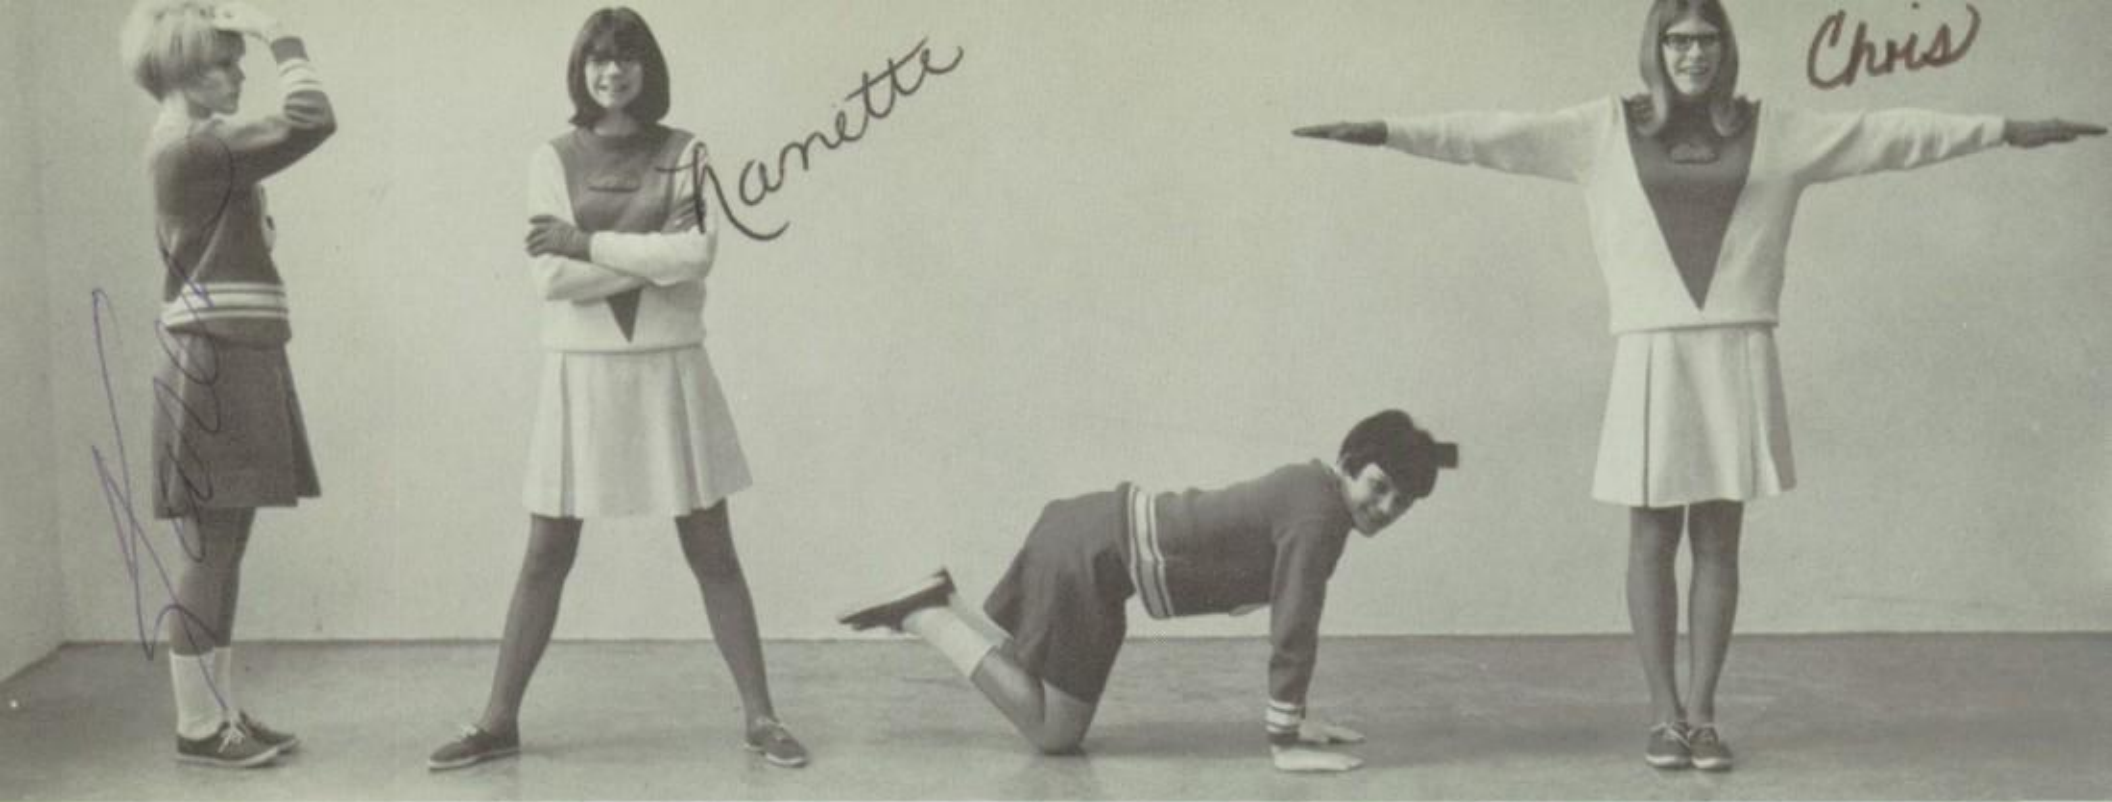

WE'RE NUMBER ONE!!

Students participated in hanger drives, bottle drives, car washes, and baked food sales to charter a bus to the Vale game. With donations of the local merchants and the cooperation of the townspeople, the students were able to raise \$485.00 in 5 days which took 74 students and 4 chaperones 384 miles to Vale to watch the victory.

KAREN BLAKE

Varsity cheerleaders Jenny, Nancy, Paula, Karen, and Kathy lead the inspired yelling of the students throughout the football and basketball seasons. Spirit weeks, poster contests, stomp 'em days, and color days are just a few of the many activities the rally planned to raise spirit.

Long hours of practicing enabled the spirited J. V. cheerleaders Kim, Nanette, Chris, and Sue to cheer Central's Junior Varsity team on to victory.

PEPPY J.V.'S

Central's active pep clubs did much to boost school spirit. Spirit posters which lined our halls were one of their projects. Students sponsored cake sales, car washes, and bottle and hanger drives to pay for the two spectator buses that were chartered for the trip to Vale.

Girls Pep Club President Barb Connelly is assisted by Karen Brown, Jane Allen, Bobbi Steger, Marilyn Miller, and Shirley Pedigo.

CLUBS . . .

Boys' Pep Club elected Charlie Fuller, Dale Towry, and Tom Glogau as Yell-Kings.

Boys' Pep Club is headed by Wally Hansen. The remaining officers are Cliff Frey, Bill Blair, and Dean Sedivy.

... IN ACTION

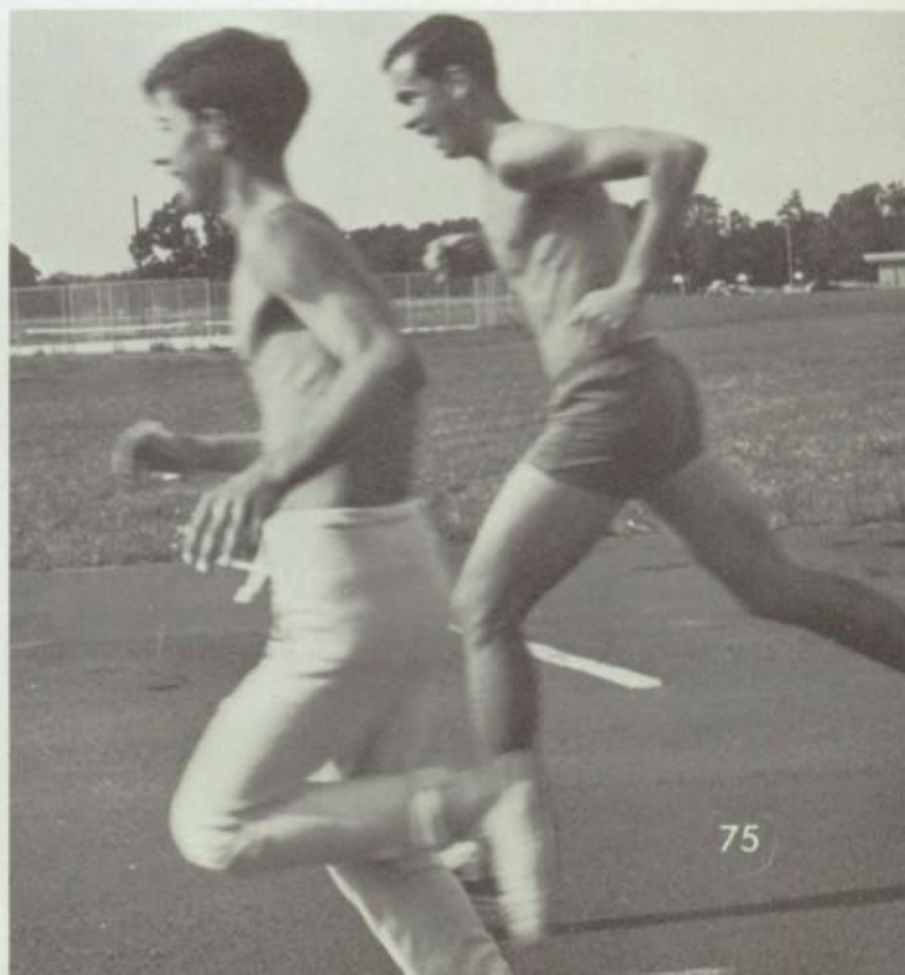

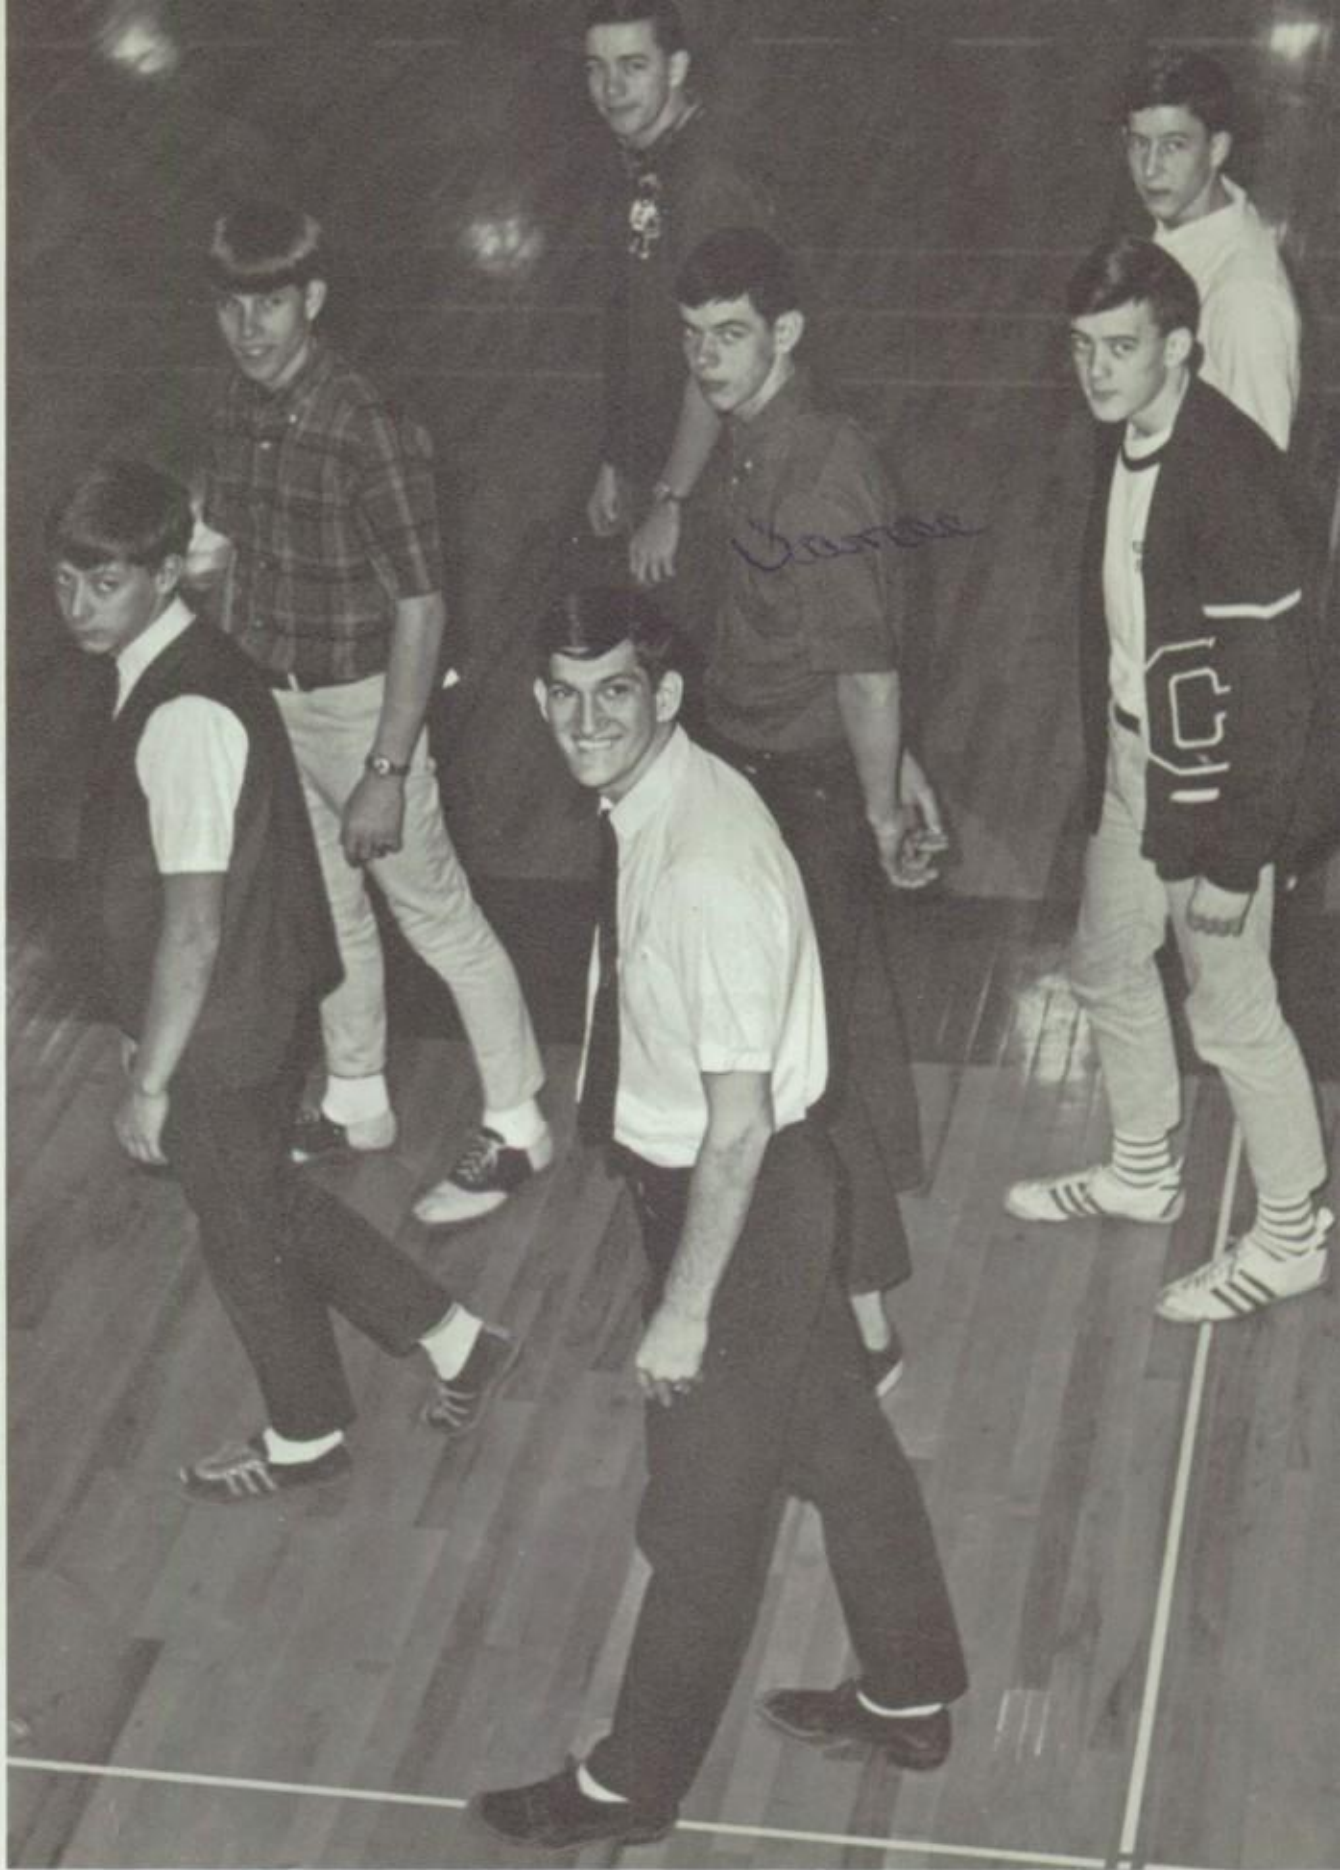

Games, pep assemblies, and pre-game pep rallies were well attended by Central fans eager to cheer the Panthers toward victory. This year, the girls bought new pep outfits. Members dressed in red and white plaid kilts, white sweaters, and white knee socks could be seen yelling support for various athletic activities throughout the year. A "Miss Spirit" emblem award was given to girls who yelled the loudest after several of the games. Connie Massey was given the "Miss Spirit" title for the entire football season. The peppy outfits, voices, and attitudes provided Central with much of the school spirit that made 1967-68 such a great year.

CROSS COUNTRY

This year's Cross Country Team qualified for State by placing second in the Capital Conference. The team is coached by Coach Cable and consists of Dan Jones, Dean Sedivy, Bill Blair, Vance Burke, Roger Hediger, Andy Ferguson, and Richard Proctor.

The sport is relatively new to Central but is becoming more popular and successful each year.

CENTRALIAN STAFF

It takes a great deal of teamwork to accomplish a task as large as putting out a yearbook. This year, the Class Editors were Judy Corley and Nicki Pastega. The Senior Editor, Wick Chambers was in charge of the senior pages. The photographers, Charles Paeth and Gary Barwig, put in many long hours of hard work to provide the pictures found in this book. Each member of the staff was assigned pages and everybody assisted in selling ads to businesses in the community.

It has been our effort to give the students of Central High School a book of beauty and distinction, which shall, in the years to come, be worthy of those invaluable memories. If this has been accomplished, then our work has not been in vain.

that I could try something different. But, by then, it seems I will never get another chance. What is your remedy Dr. Lance?, Peaches, Pears? (Ha)

Dr. Lance - that name has a ring to it. Could you be any relation to the famous Dr. Lance that relieves chest colds? How is your menthalatum deep heat rub? Boon mona! You are mean.

I will have taken up three pages pretty soon. I have a feeling that you aren't going to like that. Too bad. At the rate I am going, you will never get this back to worry about it. Remember that time you combed my hair the wrong way and parted it down the middle - on the bows? I should have never given you my brush! I could say - Are you ever serious? - but I won't. I know the true answer even though most people may not.

I'll never ask you that again although I would like to hear that story.

If you ever get in that certain mood again call me up. Have you ever told my phone number to any of your friends? Or do you still have it even?

Are you going to come down here and help Wayne fix our "lawnmower"? That might be an interesting project to handle.

As you may have guessed, I could go on and on forever but since there are only a few more pages and you might like to have some of your girlfriends write in here, I'll sign off.

"Good luck" "Have fun this summer" (not too much though)
"Remember the good times". Forgive me for writing so much and for dumb remarks.

P.S. What they were calling you in French today means "King of the Damned"

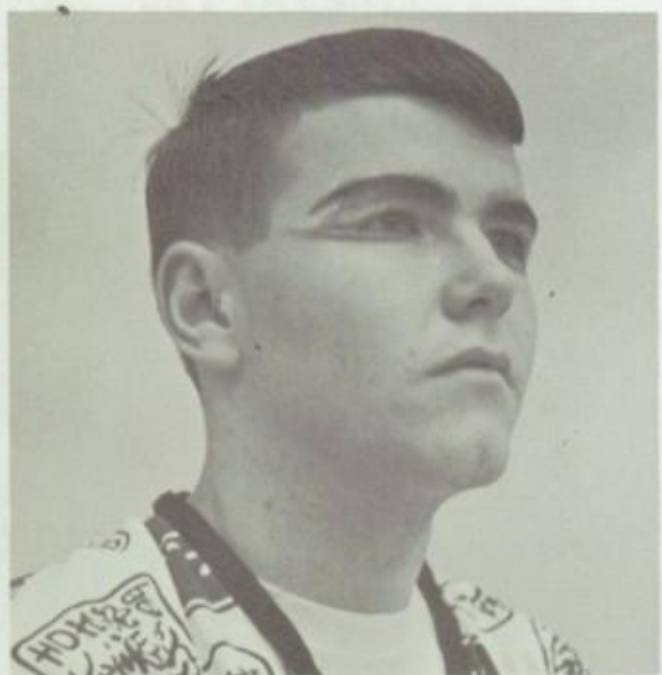

Sincerely yours forever,
Jerry Emerson Tilton

You are really pretty special Ruby Begonia doesn't chase just anybody.

MASQUE AND GAVEL

Masque and Gavel, under the direction of Mrs. Foreman, is open to students interested in the production of plays.

Drama Club sponsored the all-school play, "Suds In Your Eye," aided the music dept. in the production of the "Music Man," and put on a play for the spring Creativity Carnival.

Masque and Gavel would like to thank Dave Griffith and Pat Henderson for their work on lighting, scenery, and special effects throughout the year.

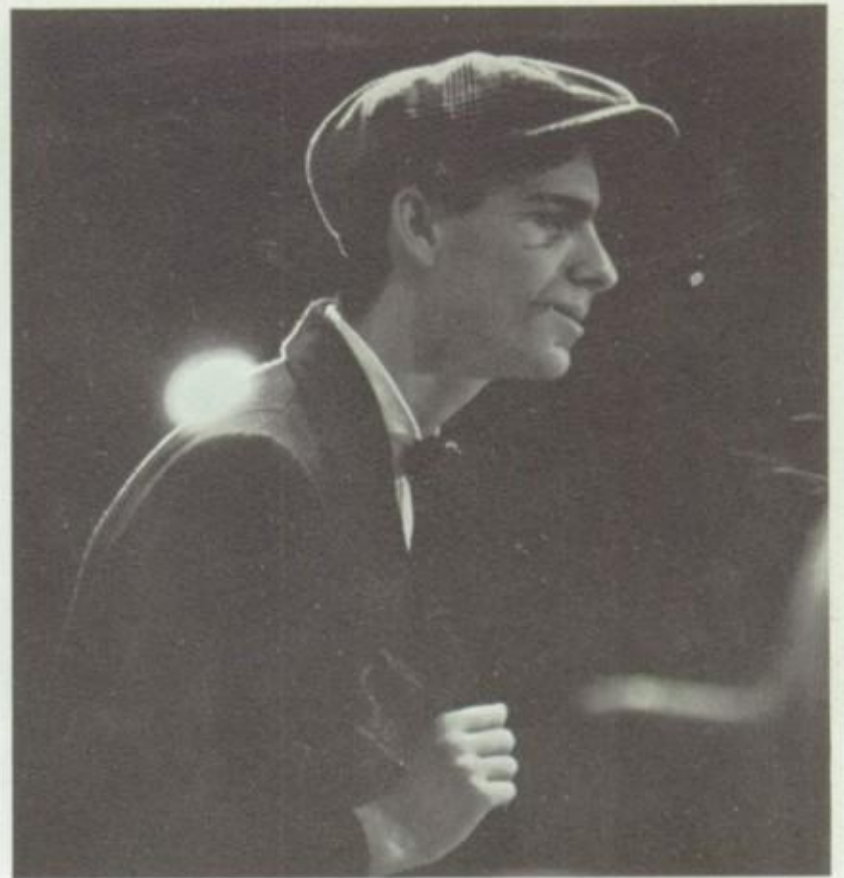

"SUDS IN

Three months of hard practice resulted in a more-than-successful Drama Club production called "Suds In Your Eye." This delightful comedy was put on through the talented and dedicated efforts of several Central students, parents, and teachers and was presented to the public on Dec. 11 and 13. Mrs. Foreman, director, became ill in the middle of rehearsals and the students decided to finish what they had started.

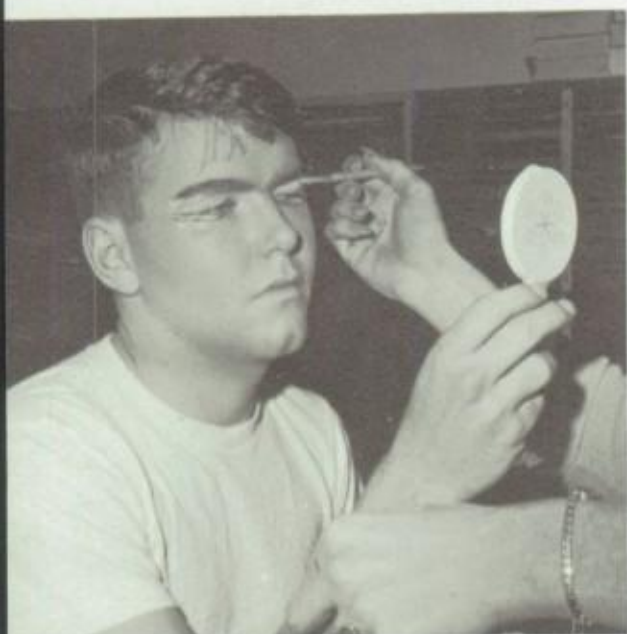

Parents offered their time as chaperones during rehearsals and they continued a rough schedule by practicing several nights during the week and on Sundays. Aside from the cast, there were several other students who contributed generously to set production, programs, tickets, and props. Few will forget the thrill they received when the play went off as a tremendous success.

YOUR EYE"

Tom Glogau, Student Director, using his experience at the Pentacle Theatre, took over the direction of "Suds." His father, Dr. Arthur Glogau (r), inspired the cast when it needed it most. His volunteer direction was greatly appreciated by the entire cast.

"FANTASY IN FROST"

Winter brings snow, rosy cheeks, and the Christmas Ball. December 16th was the date of the formal affair this year. Queen Kathy Chandler, escorted by Ken Lindskog, reigned over the Ball. Sharing the royalty spotlight with her were Junior Princess Sally Livingston, escorted by Tom Peyree, and Sophomore Princess Deborah Girard, escorted by Dave Larence.

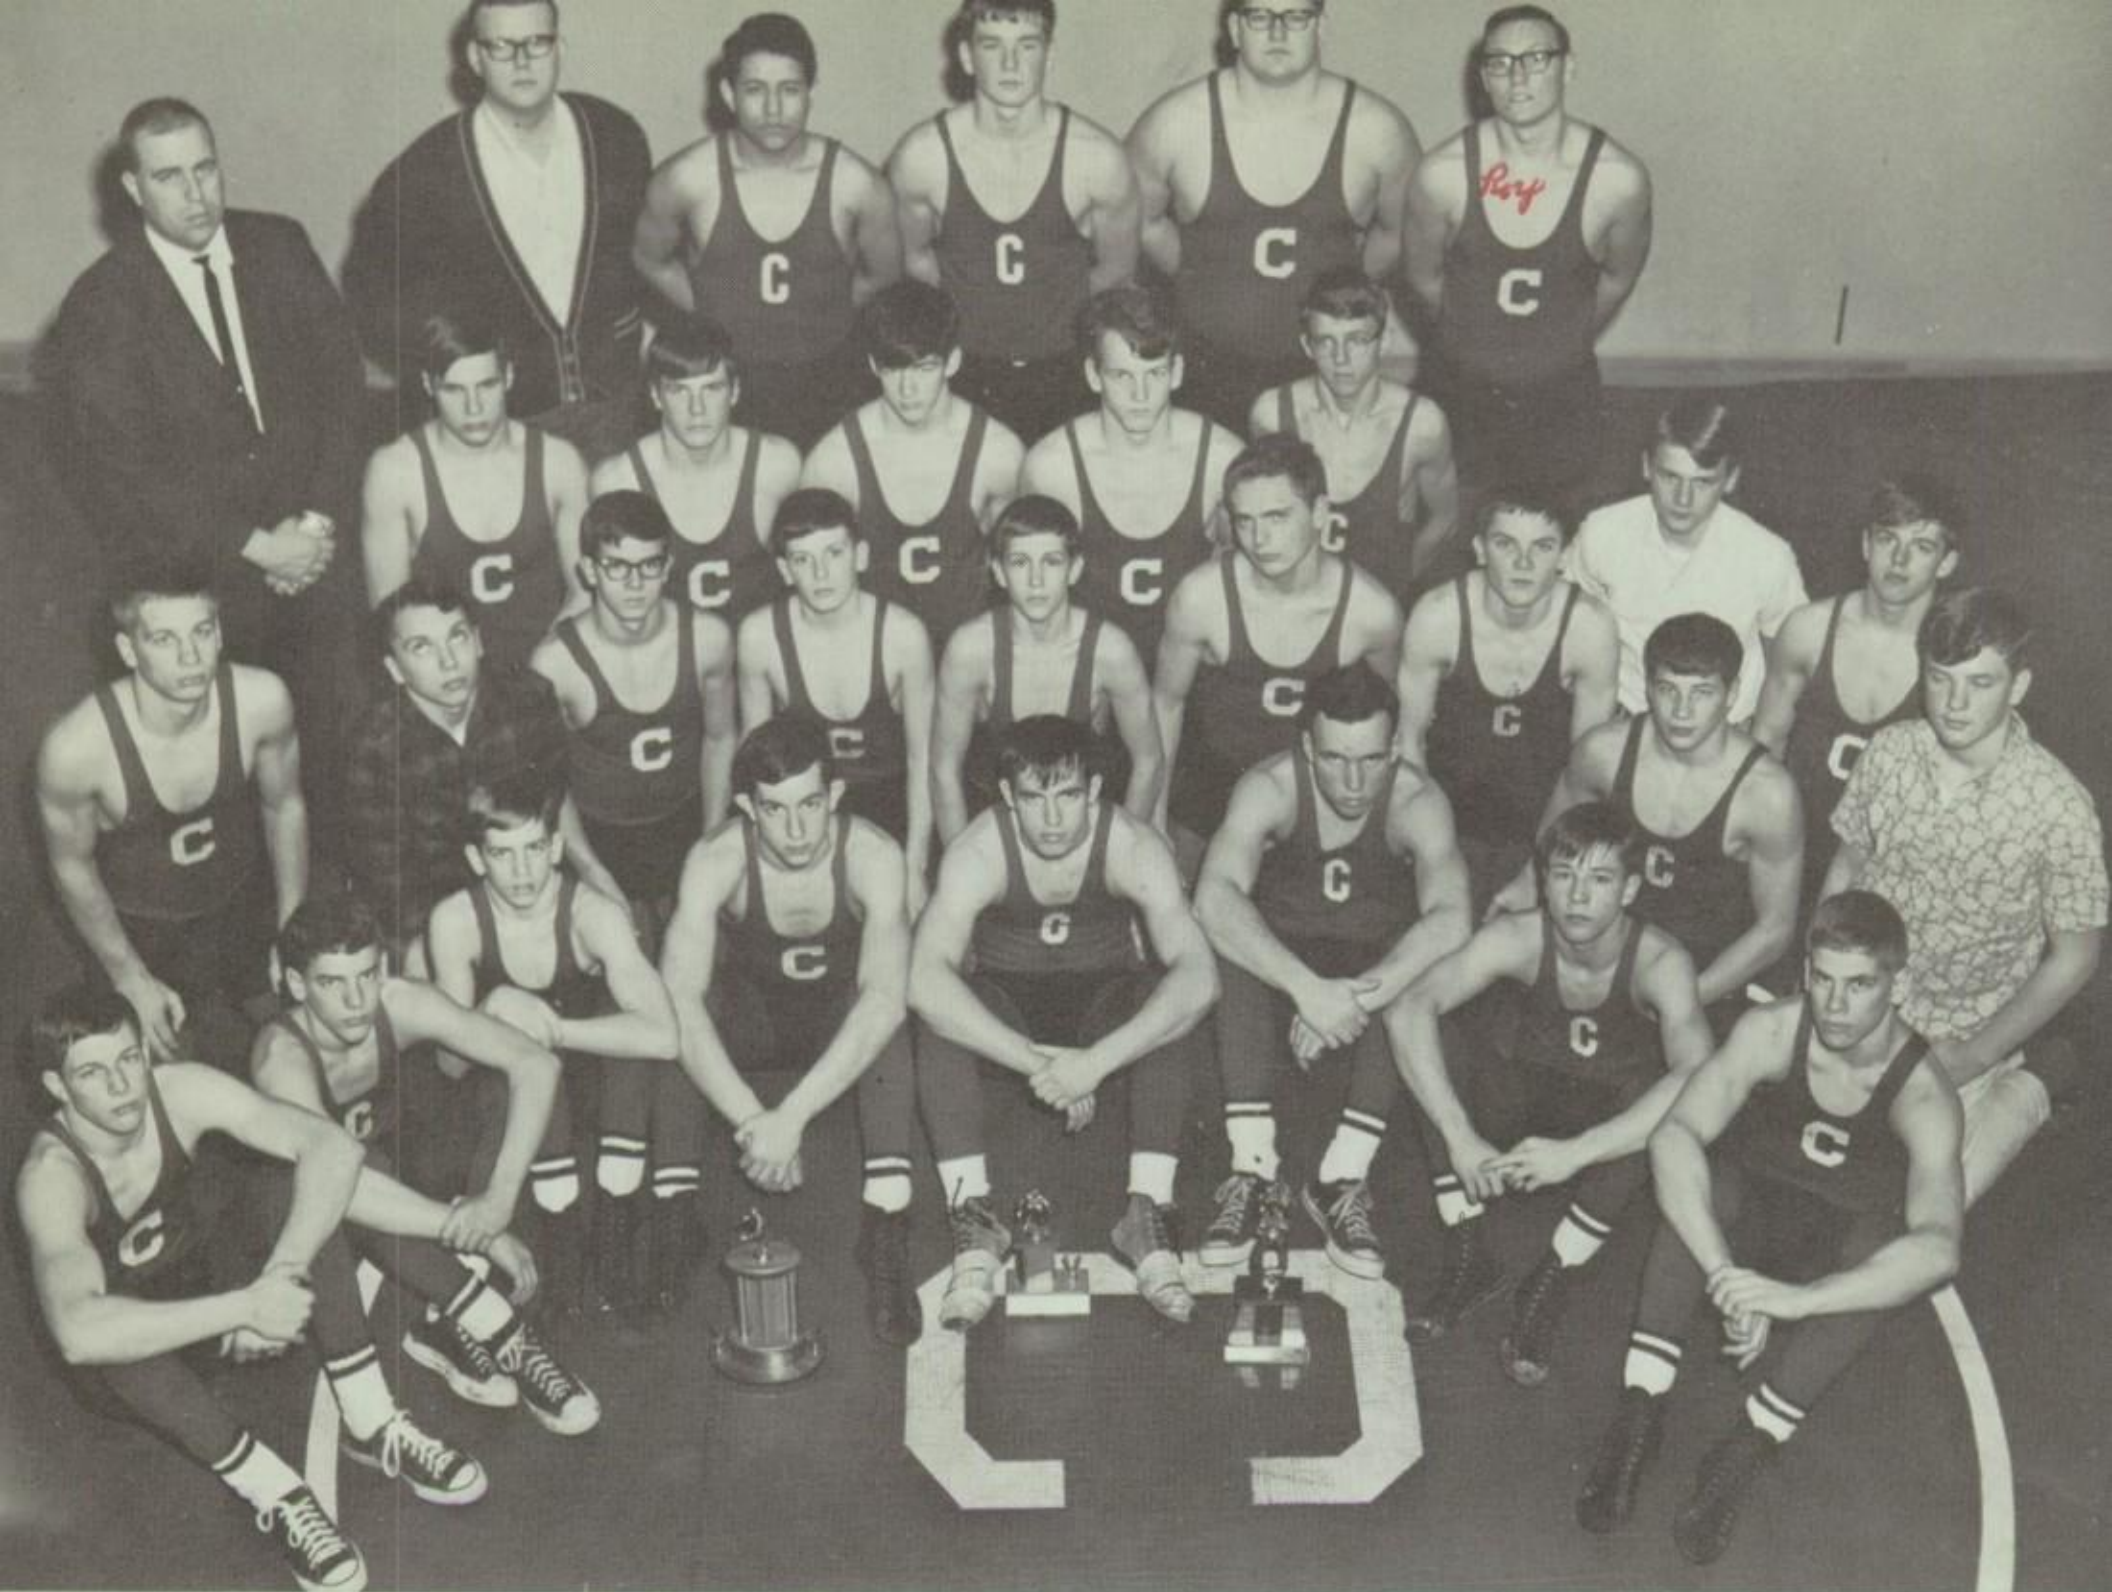

The cafeteria was transformed into a winter wonderland through the ingenious designs of G.A.A. members. Huge, sparkling snowflakes covered the walls; a large, flocked Christmas tree was placed in the center of the dance floor. An ice cave provided the background for the musical combo which filled the air with beautiful music. It was truly a "Fantasy in Frost."

WRESTLING

Wrestlers of the coming year will have a hard time living up to the record left them by Central's 1967-68 wrestling team. This group of grapplers went undefeated through their league season. In addition, they took first place at the First Annual Central Wrestling Tournament and missed another first by two points at the Annual Invitational Philomath Tournament. The team also took district honors for the second consecutive year and in doing so qualified 6 of our wrestlers for State: John Winters, Kurt Davis, Lloyd Graves, Dale Pennie, Ken Chace and Clyde Smith.

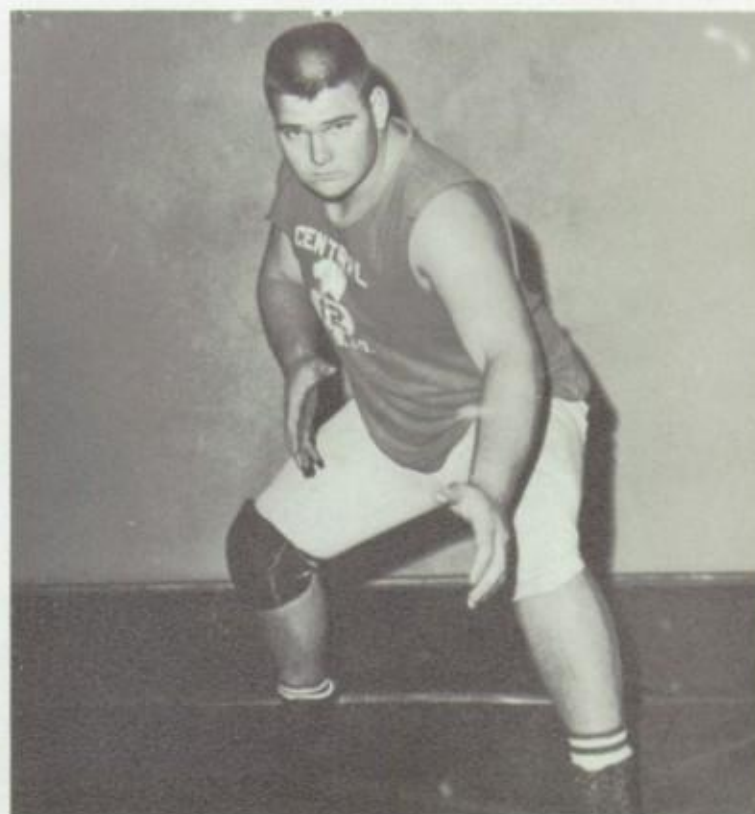

The wrestling team was coached by Mr. Drill. His first year of coaching at Central was highlighted by the District Championship and a fourth place at State.

everyone else. I don't know about you
sometimes. How would you like some
advice? I already know you wouldn't.
My advice is - don't drink too much
of your mother's homemade wine -
that stuff can be potent. Look across
the page at the middle row, fourth per-
son. Now aren't you ashamed of yourself
for saying such bad things to me? Never
mind, I know you aren't. You're just a big
tease I guess. Every body else is wishing
you good luck in the future. I don't know if
I should though, considering what you got on
that little test you took. You think I found
out too much? Don't worry, I just found
out what a lot of people guess. (Just kidding)
Here's some more advice - Confucious say, "Don't
show rabbits to girls. It is misleading." (Sorry
about that.) I do think you are wishing that
had never happened. If I'd have listened to
you the first time you told me "come back when
you can't stay as long" it probably wouldn't have.
Aren't I a naughty girl, leading people on?
Remember to keep your mean black dogs away
from my innocent, ignorant little Princess dog.
She has never acted like that before, I
find it hard to understand, but then, aren't
all females supposed to be hard to understand?
This one is. Sometimes when nothing is wrong
I act like something is. It's not to hurt people
but sometimes when things happen in an unexpected
way, It shocks me. After wards, I ~~will~~
always wish I had another chance so

SCHOOL STORE

Student Council is a forum for student ideas and opinions. Although run on a closed council basis, this years student council made steps toward closing the gap between the council and the main body of students. The council is directly involved with student problems and the representatives serve the council in voicing the opinions of the student body. The council also ties the students closer to the administration, by making known needs and concerns.

The student council is a center of school activities. They recognize needs, step in, organize, and accomplish.

This was shown with the student council handling of the fund raising to take spectator buses to Vale.

Other achievements this year include the organization of an Inter-Club Council, hosting of the Region 4 Student Council, solving many problems associated with school dances and assemblies, and numerous improvements on the school grounds.

F.T.A.

President Vicki Lorence was assisted by Sandy Gordon, Secretary; Carolyn Helms, Treasurer; and Charles Carlson, Historian.

Future teachers of America is an organization which enables students interested in teaching to observe classes in the elementary schools of the district. Cake sales are included in the money making projects of F. T. A. With these funds, the members sponsor the annual Cotton and Cords Day Dance held in the spring.

GIRLS' LEAGUE

Every year at Christmastime Santa visits Central to spread joy to the hearts of underprivileged children from our community. The party, given by Girls League, consists of presents, sacks of candy, and desserts of ice cream and cookies. The Christmas party is a rewarding experience for those involved.

Lance. (to a real serious kid)

Well I will write in this again. I wrote two pages over but I was in a hurry then because I didn't know if you wanted me to write or not. I am on the bus so my writing is kind of shaky. Remember what good times we had on the bus at the very beginning of the year - when Hal and Ed were driving? Then things got a little off. I want you to remember only the good times and forget the bad. We did have a few good times - didn't we? After thinking about it - I am sure you did say something about "nerve to do something". I was a little mixed up when I disagreed. Then, of course we have had some interesting conversations. The one time we had most fun was a few weeks ago, I think.

Now I'm home. I read a few of these things that other people wrote. I know I shouldn't have, but I did. These all say how sweet you are. I will too. "You are a real sweet guy". There, now I will add something - "every once in a while". There were a few times when you were far from sweet. Just now I thought of some of the awful things you had to put up with. Recall that time in square-dancing when you were mad but you had to dance about an half an hour with me? I know I kept goofing but it's too late to fix that now, sorry. I hope you don't mind if I take up a lot of room because that is what I am doing.

Lance -

This year has been a real panic. Not to mention the time you hit me in the eye! Choralaris has been fun and you're a very good bass even if you can't read music. I hope you're back next year cuz the basses need all the help they can get. It's been alot of fun on the bus even if you did hit me! The best of luck in whatever your future may be. Be good and take care!

Best of Luck.
